To Whom It May Concern,

This letter is being generated to show my support of the McQueeney Volunteer Fire Department on their endeavors of upgrading their fire station. The history of the McQueeney VFD has always been strong and positive for the McQueeney community. Population growth is at an all-time high not only in the area they serve but the county as a whole. With this growth comes added responsibilities. The McQueeney VFD serves their district well and is sometimes called upon to help serve other districts within and outside of Guadalupe County.

I applaud their efforts for wanting to upgrade and expand their fire station and manpower to protect the citizens of McQueeney as well as the industry in that area. Their vision for the future of the McQueeney Volunteer Fire Department is to not only continue to serve their citizens but to improve on the highly professional level of service they provide.

If I can be of any further assistance to the McQueeney VFD, please do not hesitate to call on me.

Sincerely,

A handwritten signature in cursive script, reading "Arnold S. Zwicke".
